## Hannah Holtmeier

Ambassador

[Request as Speaker](#)

Hannah Holtmeier is a member of Kappa Kappa Gamma sorority. She joined the Gamma Omicron chapter at the University of Wyoming as a member of Pledge Class 2021. After her concerns, morals, and beliefs were ignored, she transferred schools to find a true sisterhood. She is a senior at the University of Nebraska Lincoln and a member of the Sigma Chapter of Kappa Kappa Gamma. She hopes to become a conservation officer (game warden) after graduation next year.

Outside of school, work, and Kappa, she enjoys running and working out on campus! Growing up on a family farm, she enjoyed being outdoors, working with livestock or farm equipment, and still enjoys helping her dad when she can. She has a small herd of cattle and 4 dogs.

With the help of the IWF, Hannah hopes to advocate for women put into uncomfortable and dangerous situations by men who are allowed into their safe spaces. After a man joined her sorority, she knew she had to do something to prevent any other girls from going through what she and her sisters experienced.
